

Dear Brushy Meadows Homeowner,

Your mailbox needs to be maintained or repaired as indicated below.

Due to deterioration over the years and possible damage, mailboxes need periodic maintenance. Please perform these repairs or contact Mayfield Signs (877-3718) if you need to hire someone to perform the required maintenance. The Brushy Meadows standard mailbox design and paint scheme may not be altered.

Per Brushy Meadows Restrictive and Protective Covenants:

2.24 Mailboxes. Mailboxes and supporting posts shall be of *standard design and construction* as approved by the Architectural Committee.

9.1 Names or numbers painted on mailboxes and/or any other house numbers will be appointed in professional manner. The Architectural Committee will require a uniform post office box or mail receptacle in accordance with such size and design as shall be required and provided by the Architectural Committee.
