Parents, do you know where your children are?

Please remember that children under the age of 18 are not allowed at the pool without an adult when lifeguards are not on duty. Please make sure if your child is going to pool that lifeguard is on duty or go with them. This rule is being violated on a regular basis, but it was instated for the safety of our children.

Additionally, we are still having problems with people in the pool after hours and people climbing the fence after hours to enter the pool. The Board has instructed police patrolling the neighborhood to secure the name(s) of anyone, adults and children, in the pool area after hours and report it to the Board for possible loss of pool privileges. Non-residents caught in the pool after hours will be given a ticket.

Please abide by the pool rules, they are there for everyone's safety!

Please be reminded that there are NO private pool parties allowed at the pool. Any parties must have prior Board approval. To obtain approval please contact Association Management Group at 864-967-3564.
